Under contract-accepting backup offers. ZERO STORM DAMAGE, VACANT, MOVE IN READY! PRICED TO SELL! Built between 2018-2019, this former William Ryan builder model home is a perfect blend of laid-back country style and modern elegance, sitting pretty on a corner lot in a friendly, deed-restricted neighborhood. This 4-bedroom, 2-bath beauty with a 2-car garage is packed with upgrades that'll knock your socks off. Step inside, and you'll see that this home was designed with a little magic. The primary suite? It's got it all: a cozy seating area, a walk-in closet fit for a star, and an oversized ceramic-tiled shower that'll make you want to sing in the rain. Crown molding? Check. Tray ceilings? You bet. And let's talk about that rock accent wall, custom wood-trimmed windows, and a glass front door that greets you with class every time you come home. The kitchen, living, and dining areas are freshly painted and boast sky-high 12-foot ceilings, giving the whole place a bright, open feel. The kitchens got all the hits: granite countertops, espresso soft-close cabinets, a sleek gray tile backsplash, and top-notch GE stainless steel appliances. The adjoining great room and dining space? Perfect for hosting those legendary parties, with shadow boxes, chair rails, and upgraded lighting and fans that'll set the perfect mood. No carpets here just wood plank ceramic tile in every bedroom for that easy, polished look. The garage is all dressed up
